This request must be made on the Official Travis County Livestock Show Exhibitor Substitution Form provided by the Department Superintendent. This request must be accompanied by a statement, signed by a religious organization leader, on his/her letterhead. The completed Official Travis County Livestock Show

Exhibitor Substitution Form and the Religious Leader's statement must be returned to the Department Superintendent prior to the start of the respective Show.

- c. In any of the four (4) situations listed above, or in the case of an emergency, the Department Superintendent may use their own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be an exhibitor of that species, from the same school, FFA Chapter, or 4-H Club as the original exhibitor with the following two (2) exceptions:
 - i. Original exhibitor is the only exhibitor from that school, Chapter/Club entered in that Department.
 - ii. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.
- d. In either case, any Exhibitor (meeting all requirements of the Travis County Livestock Show) may exhibit the animal.

25. **SALE DECLARATIONS OF MARKET ANIMALS.** The Travis County Livestock Show is not a terminal Show. The Auction is a Ribbon Sale. The Exhibitor retains ownership of their animal after the Show. Each Exhibitor whose animal is otherwise qualified is entitled to sell 2 animals from different divisions to include Steers, Swine, Goats, Lambs, Rabbits, Turkeys or Fryers. If an exhibitor places 2 projects in the same division/species, the higher placing project will be selected for auction. If the exhibitor places one or more projects that qualify for auction, up to 2 projects will automatically be placed in the auction list. If the exhibitor places 3 or more projects that qualify for auction before bump ups, unless declared otherwise in writing by the declaration deadline, the auction selection sequence will be: **Steers, Goats, Swine, Lambs, Turkeys, Fryers, and then Rabbits.** Only projects that make the original declaration will make the sale, bump ups do not change the species declaration for exhibitors who have 2 divisions in the sale. It is the exhibitor's responsibility to check/verify the Preliminary Sale List and the Final Sale Order.

26. **LIVESTOCK AUCTION GENERAL RULES.** Livestock Auction participants must comply with the rules below:

- a. All species Grand and Reserve Grand Champions are required to sell. Grand and Reserve Grand Champion Breeding Heifers only sell if they are entered/exhibited by an eligible Travis County junior exhibitor.
- b. Each animal sold must be handled by the exhibitor, who entered the animal, except in the case of serious illness or death in the exhibitor's immediate family.
- c. The Exhibitor Substitution rule applies to the auction. In such cases the Board President may authorize substitution by an eligible Travis County exhibitor of the same sex and age as owner/exhibitor.
- d. In the event an exhibitor has more than two projects eligible to sell without bump ups, it is the exhibitor's responsibility to notify the Show Office which 2 projects will be sold between 8AM-12PM to tcys@live.com.
- e. In the event an exhibitor pulls out of Auction, the next highest placing animal moves into that slot.
- f. A commission fee of 10% of the Auction total will be charged to the seller on the animals sold. 1% of the overall auction total will be distributed to the TCYS Scholarship Fund.
- g. Only animals which qualify for the sale will be sold at the Auction and sold to the highest bidder.
- h. **SALE LOT SELECTION:** Approximately 200 total lots will be selected for livestock auction. The livestock auction lots will be distributed evenly within large and small species/breeds as a percentage of the number of projects that arrived and qualified for competition in that classification. With small species receiving 50 slots, and large animals receiving 150. The auction placing depth will be set by species/breed not by individual class. A random draw may be used to select a limited number of auction lots from equally placing projects as required to achieve the target number/percent of auction lots for the species/breed. (Example:

500 Total Large Animal projects arrive at the show. 180 Projects are goats. 180 Goats/500 Total Projects = 36%. Goats will receive 36% of the 150 large animal sale lots divided across all classes.)

- i. Each exhibitor who is offered the privilege of selling in the Auction represents that they have complied with all of the rules of the Show concerning all exhibits that they entered, and that they have not knowingly aided or assisted any other exhibitor in feeding, fitting, or exhibiting any exhibit in violation of these rules.
- j. If any exhibitor is found to have violated any of these rules, as a result of a protest being upheld by the Protest Committee after such exhibitor has sold one or more exhibits in the Show Auction, then such exhibitor agrees that he or she shall forfeit all proceeds from the sale of his/her projects. This rule shall apply to all exhibits sold by such exhibitor in the Auction and is not limited solely to the exhibit directly involved in the rule violation. The price bid for shall then be refunded to the bidder.

27. **LIVESTOCK AUCTION CAPS.** In the Live Auction, the Grand Champion must sell for more than the Reserve Grand Champion of its species. The Reserve Grand Champion must then sell for more than all lower placing animals of its species. Add-ons do not count towards the auction cap and are subject to TCYS commissions.

28. **LIVESTOCK SALE ORDER.** Animals qualifying for sale in the TCYS Auction will be sold by species in the following rotation (which changes each year, the last species sold the preceding year will be move to first the following year.)

The 2027 TCYS Livestock Auction Sale order is Cattle, Lambs, Poultry, Goats, Rabbits, and then Swine.

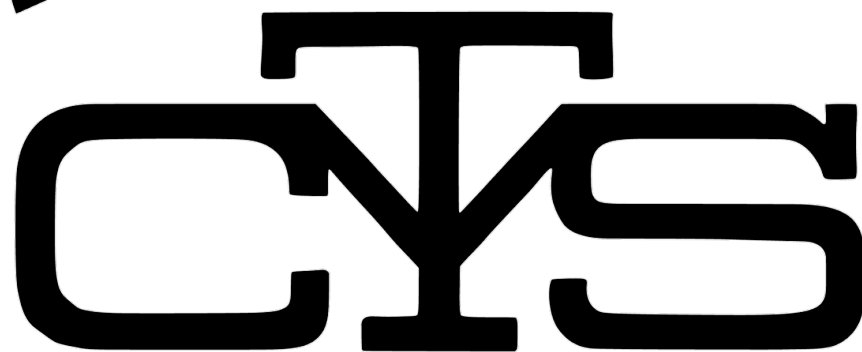

- a. Animals from each species qualifying for the sale will be sold starting with Grand Champion through lower placing animals. All qualifying animals from a species will be sold before moving to the next species.
- b. The sale order will not be modified/changed for individual exhibitor schedule conflicts.

29. **YOUTH FAIR AUCTION GENERAL RULES.** Exhibitors may sell only TWO Class Champion projects in the Youth Auction, with proceeds going to the exhibitor. Youth Fair Auction Guideline:

- a. A commission fee of 10% of the Auction total will be charged on the items sold. 1% of the overall auction total proceeds will be distributed to the TCYS Scholarship Fund.
- b. If an exhibitor has two or more class champions, they must declare which of the two projects they want to sell at the youth auction by 9PM on the Friday of judging to tcys@live.com. At this time, the Reserve Class Champion of the class they opted out of will receive that auction slot. In the event notification is not made, the TCYS reserves the right to designate which projects sell. It is the exhibitor's responsibility to check and verify the Preliminary Sale List and the Final Sale Order.
- c. Any item displayed on the stage during the auction becomes the buyer's property.
- d. Preliminary Sale List and/or Final Sale Order are subject to change due to technical error.
- e. The exhibitor or designated representative must be present at the Auction to sell his/her Class Champion item at their designated Sale Order Position. If the exhibitor or approved substitute is not present at the auction, the item becomes the property of TCYS. Proceeds will be donated to the Scholarship Fund.
- f. No minimum bids are placed on projects.
- g. Little Wrangler exhibitors shall receive a ribbon and may not move on to the Auction.
- h. Junior and Senior exhibitors shall receive a ribbon for each project. Class Champions in these two age brackets are eligible for Auction. Each exhibitor may only auction two Class Champion projects.
